OLD J SPICED RUMS

Old J Spiced Rums are inspired by the great Admiral Vernon's 'Old Grog', but produced with a modern 21st-Century rum drinker in mind.

It took over sixty trials before the perfect harmony of ingredients was found and Old J Original Spiced Rum's smooth and spicy flavour profile was born, but it was worth it, as Old J was the first spiced rum to win 'Master' status at the Rum Masters Awards 2016/17. Old J is now available in seven unique expressions, widening its appeal to modern rum lovers.

ARBER GIN

Born in 1879, Agnes Arber was a renowned botanical historian and dedicated her life to the study of plant anatomy. She was the first female botanist to be elected as a Fellow of the Royal Society in 1946.

In 1948, Agnes Arber became the first woman to receive the Gold Medal of the Linnean Society, a world-famous institution dedicated to the study of natural history, for her contributions to botanical science.

It is with an appreciation for Arber's work – her dedication to discovering all the intricacies and wonders of the natural world – that this gin collection has been produced.

MOONSHINE VODKA

During the 1920s, the prohibition of alcohol came into effect across the USA, making the manufacture and sale of alcohol illegal.

With prosperity on the rise, so was social change. This social change was fuelled by Moonshine; home-brewed alcohol produced illegally under the cover of darkness and guided by the light of the moon.

Moonshine vodka is produced in honour of the moonlight that gave birth to the ideals of the modern way of life. A premium, contemporary take on the classic concept of Moonshine spirits, Moonshine vodka is made with 100% French wheat grain spirit.

OLD MONARCH

Old Monarch Scotch Whisky was produced as a tribute to the iconic Monarch of the Glen, an oil-on-canvas painting from 1851 by Sir Edwin Landseer. Landseer was a member of the Royal Academy, a favourite of Queen Victoria. He received a national commission to paint a picture for the Refreshment Rooms at the House of Lords, and so produced his masterpiece.

Old Monarch is blended using the finest ingredients in an endeavour for the same majesty as Sir Landseer's work; we consider it our own Scottish masterpiece.

It is a richly flavoured, blended Scotch Whisky. The body, combining tastes of woody vanilla and sweet toffee, leads smoothly towards a long, warming finish. It can be enjoyed on its own, over ice or try it in one of our cocktail recipes.

ABV: 40.0% - Size: 1.5LTR / 70cl

BIRRA MORENA

The Drive Beer Brewery is one of only a handful of wholly owned, independent breweries left in Italy and is located in Basilicata, a rural region found to the south of the country. The beauty of Basilicata inspired a beer to be savoured based on a recipe that only ever uses pure malted barley.

CLASSICA - ABV : 4.6% - Size: 330ml / 660ml

Classica offers a refined, refreshing variation of the original Birra Morena, finely hopped and made with the highest quality of Italian grains. The palate is well structured with malty notes and an elegantly balanced taste.

ORO - ABV : 5.2% - Size: 330ml Bottle

Oro is a 100% pure malt lager, made especially for the most demanding palates with strong notes of barley, vanilla and cloves, and a warming, sunrise-gold colour. Only the best super-aromatic hops are used to produce Morena's crisp, refreshing flavour.

CRUZCAMPO

True to its essence since 1904, Cruzcampo is a pilsner-style lager with a blonde straw colour. Cruzcampo is one of Spain's most beloved beers.

DORTMUNDER

Dortmunder is a range of premium German beer with a long and rich history. It began life at the Struck Brewery in the industrial city of Dortmund, which was turned into a stockholder company named “Dortmunder Union-Brauerei Actiengesellschaft” in 1873.

UNION PILS - ABV : 4.8% - 50L Keg

A pale pils-like brew, this is the signature of master brewer Fritz Brinkhoff. The same classic pilsner recipe created in 1887 is still used today, brewed to strict German purity laws with Hallertau hops which give a perfect, classic bitter balance to the sweet, malty undertones.

VIER - ABV : 4.0% - 50L Keg

A genuine imported German pilsner, Dortmund Vier is a premium beer and one of the finest 4% beers in the UK. It is brewed to strict German purity laws which dictate that only water, wheat and hops are used. The pale lager with key influences from Pilsner, gold in colour with a moderate bitterness from the Noble hops, Dortmund Vier has a lean body, full of character with a beautiful, crisp finish.

DORTMUNDER

PARDÁL

Pardál is brewed using the soft water from Budvar's 10,000-year-old well. The renowned brewery, with a view to breaking the mould of typical Czech lager, formed a panel of three hundred consumers to define the character of the beer as well as the values of the brand.

'Pardál' translates to 'panther', representing the strong-minded, individualistic consumers to whom this beer is tailored. It is also slang in Czech for drinking buddy, so Pardál must not be drunk alone!

Pardál takes 11 days to brew which is significantly longer than most lagers. Then it undergoes a 30 day maturation process making it an easy-drinking lager with a full mouthfeel and a bitter but well-balanced taste. Pardál is unique, with a sessionable ABV of 3.8%, but more flavour than many 4 or 5% beers.

ABV: 3.8% - Size: 30 / 50LTR

FOOD PAIRING

Grand Central IPA pairs really well with burgers, that have a smoky BBQ sauce and onions as a garnish. The hoppy notes also cut through spicy foods very well.

GRAND CENTRAL IPA

Over 750,000 passengers make their way across the marble floors of Grand Central Station in New York, past the remarkable clock, each day, to catch that all-important train.

But the Grand Central clock holds a secret... It runs a minute fast so that passengers have a little more time than they think they do.

The same is said for Grand Central IPA.

This distinctive, crisp and clean beer is perfect for escaping the hustle and bustle, and enjoying with friends. Take a moment to appreciate the fresh, unrefined and very lightly filtered experience of this sessionable craft beer.

ABV: 4.2% - Size: 30 / 50LTR

BIRRA MURANO

On the banks of the Grande Canal di Murano, you'll find the natural splendours of a Venetian island, steeped in heritage and charming streets. Artisanal glass blowers creating intricate pieces by candlelight, traditional pizzerias dotted along the coastline whilst the philosophy of 'the sweetness of doing nothing' echoes resoundingly around the island.

Founded on a desire to enjoy a slower pace of life and appreciating these simpler pleasures, the story of Birra Murano was born.

Clean yet crisp with a refreshing bitterness and hint of citrus, Birra Murano brings together all the hallmarks of a traditional Italian pilsner, meticulously brewed using only five simple ingredients. The zesty subtle hint of citrus takes inspiration from the sun-drenched coastline of Murano whilst the mouth-watering, unmistakable malt flavouring adds a fine flavour and balance.

APPLESHED CIDERS

Beautifully British from Pip to Pint.

The story of Appleshed Cider goes back to the humblest of beginnings.

In a quaint countryside apple shed, specially selected apples were handpicked, stored, washed and mashed to make authentic, farmhouse cider. This craft cider then made its way to the merchants of Ledbury, the home of delicious English cider.

From pip to pint, Appleshed continues to meticulously make our cider here to this very day.

Appleshed reminds us of these apple sheds, celebrating the careful craft and humble heritage with which our cider was born, and where it all began in these very same orchards, on these same rolling hills. Beautifully British and crafted with care down to the very last drop, Appleshed is a crisp, premium, authentic cider in two mouth-watering flavours; original and dark fruits.

APPLESHED
BRITISH CIDER

ORIGINAL - ABV : 4.8% - Size: 50LTR
